Seminar

BME Track Exploration

Wednesday, November 19th
United Technologies Building 150
5:00 pm to 6:00pm

Abstract

Have you decided your BME Track yet? If not, we encourage you to attend this seminar where seniors will be discussing various BME tracks that they are in. The students will give insight as to:

- What classes you need to take
- What classes you should take
- What potential careers can come from the various tracks

The tracks that will be discussed are:

- Biochemical
- Bioinformatics
- Bioinstrumentation
