Seminar
BME Track Exploration

Wednesday, December 2nd
United Technologies Building 150
5:00 pm to 6:00pm

Abstract
Have you decided your BME Track yet? If not, we encourage you to attend this seminar where seniors will be discussing various BME tracks that they are in. The students will give insight as to:
- What that track entails
- What classes are required
- What classes you should take
- What potential careers can come from the various tracks

The tracks that will be discussed are:
- Biomaterials
- Biomechanics
- Pre-Medical
