

BME Seminars

By

BME Student Society

Tuesday, November 17, 2009

Torrey Life Science Building 154

5:00-6:00pm

BMES 4th General Meeting Abstract:

We will be discussing the upcoming seminar with Dr. Oliver on Thursday.

We will review the current state of the career fair company updates and set several goals.

We will also discuss possible events for next semester and upcoming seminars, including officer elections for next year.

As usual the class will be followed up with our Q&A mentoring session.
