## **Drew Seils, President**

**Tuesday, Sept. 22, 2009**

**Castleman, Room 212**

**5:00-6:00pm**

### **Abstract:**

At the first BMES General Meeting we will introduce the student officers and they will discuss ways for members to get involved in BMES. We will be hold sign ups for committees involved in organizing social events, fundraising, community service and more. We will also set committee goals for the year.

We will discuss the BMES Career Fair. Things that will be mentioned are preparation, commitment, and the process of making the career fair a success.

This semester BMES will be creating a video that sets an example for "A day in the life of a BME." This video will be a promotion for prospective BME Students. We will encourage members to help in the development of this video

We will also introduce this year's Mentoring Program for underclassmen BME students.
