

BME Seminars

By

BME Student Society

Thursday, April 1st, 2010

Castleman 212

5:00-6:00pm

BMES General Meeting Abstract:

At the next meeting we will be discuss an upcoming seminar on April 15th, speakers from the Apollo space mission will share their experiences and what it means to be able to call on your engineering abilities to save lives.

Clifford Locke will also be presenting his study abroad experience in Sweden. Along with sharing his personal experience, he will be able to answer questions and provide general information on the application and study abroad program.

There will also be an announcement and handouts for new incoming officers.

As usual the class will be followed up with our Q&A mentoring session.

Hope to see you all there!
