Thursday, February 18, 2010

Castleman 212

5:00-6:00PM

BMES General Meeting Abstract:

At this next meeting Drew Seils and Shane Tornifoglio will be presenting the Biosolid Mechanics Track as well as the Entrepreneurial Senior Design Program. This is the first a series of BME track and informational seminars. We will also discuss how the career fair went and the upcoming elections in 2 weeks.

As usual the class will be followed up with our Q&A mentoring session.

Hope to see you all there!
