

Biomedical Engineering Graduate Student Information Session and Social Event

Wednesday, September 8th, 2010

2:30-4:30PM

Wilbur Cross Building, North Reading Room

Refreshments will be served.

The Biomedical Engineering Graduate Program and the BME Graduate Student Committee would like to welcome all incoming and returning BME graduate students to an important information session and social event.

All BME graduate students are greatly encouraged to come to this information session to understand program requirements and meet your fellow BeeMErs!
